

**2013 ANNUAL MEETING OF MEMBERS OF
NELSON HILL HOMEOWNERS' ASSOCIATION**

In early 2013, the Nelson Hill Homeowners' Association (the "Association") held its annual meeting on the peninsula in Nelson Hill Subdivision (the "Subdivision"). The meeting was called to order and led by Fleming Williams. Jackson R. Langdale attended and answered questions about the restrictive covenants for the Subdivision and the by-laws for the Association. Copies of the by-laws of the Association were reviewed at the meeting and approved by its members. The following directors were also elected to serve for the remainder of the fiscal year and until new directors were elected: Fleming Williams, Karen Faucette, Elizabeth Norman, Christi Griffin, Emily Young, Ronda Baldree, and Natalie Singletary.

The undersigned personally attended the meeting and witnessed the above events. These minutes are prepared as a replacement for the original minutes, which were lost in the fire at the model home.

Respectfully Submitted,

Jackson R. Langdale, Attorney for
Nelson Hill Homeowners' Association, Inc.
